Golf Collection · 2027

EIGHT WAYS TO PLAY

# The Golf Packages

*A few days on the fairways of Lake Cumberland — from a quiet weekday escape to a long weekend with the foursome.*

Woodson Bend has been quietly tucked into a bend of Lake Cumberland for more than fifty years. The course winds through mature hardwoods above the water; the condos sit just off the cart path. *Pick the package that fits your trip — we'll handle the rest.*
