## MANAGER'S REPORT

by Mark Sloan

Winter is approaching...cold weather and snow!!! It's not my favorite time of year but I do love the Holidays. The last couple of winters have been fairly difficult so here's to hoping that this upcoming winter is mild!!!

By the time you receive this newsletter the 2012 operational and capital budgets will have been approved. Many hours have been spent by management, the Board and Finance Committee in an effort to put in place the best budgets possible for 2012. Everyone involved is committed to seeing the resort continue to move forward while being as frugal as possible with our funding. I thank everyone who has been involved in the budgeting process for 2012.

Our recent employee appreciation day was once again a huge success. I want to sincerely thank each and every one of you that gave to the event and to our volunteers that cooked and cleaned. You are truly amazing people. Tough economic times are impacting us all. To see so many of you step up and give so willingly was amazing. Please know that you have made a tremendous positive impact on the employees with your generosity.....so from all of us to you.....THANK YOU!!!!!!

We have been asking that each of you contact our office with your preferred email address for billing and newsletters over the past year or so. We are up over 90% of hav-

ing everyone's preferred email for contact. We really need that number to get as close to 100% as possible. We will continue to email your statements to you and make our newsletter available online in 2012. Hard copies of each will still be available for a fee as we make this transition in 2012. If you wish to go ahead and contact us with your email address you may do so by emailing Marcia at [administration@woodsonbendresort.com](mailto:administration@woodsonbendresort.com).

As we work to finish the year we are already working hard to remove leaves throughout the resort. I'm writing this report in early November and the weather has been helpful thus far in the leaf removal. It's amazing what can be accomplished during mild and dry weather. We will continue to devote every man hour possible to removing the leaves as timely as possible. It's a long and difficult process; please be patient with us as we work on this. If all goes well it will be the early part of 2012 before all of the leaves are completely removed. I want to stress, as I do each year, that we try to shift where we begin and where we finish in the leaf removal process. Some of you will be first and some will be last. However, no preferential treatment will be given and we will do all we can to be as fair as possible. Thanks for your cooperation.

We would like to remind everyone that we offer a "winter temp check program". This program allows you to pay a fee to the Association and in return your unit is moni-

tored and checked on a regular basis throughout the winter months for any issues or power failures. This is an excellent program and if you are interested in signing up or learning more about it, contact maintenance at 606-561-5314 or via email at [maintenancewb@woodsonbendresort.com](mailto:maintenancewb@woodsonbendresort.com). They will be happy to assist you.

The winter is an ideal time to remodel your condo. You can get that expansion done you have been thinking about in time for next spring. That way, there's no conflict with your vacation visits. If you would like pricing and scheduling on a project give Kenny a call or send him an email with the info listed above. In addition, you can access a list of pricing for common jobs and sample contracts via our owner's page on the website.

I hope everyone has a great finish to their year and gets to enjoy the upcoming Holidays with your loved ones. Please note that this will be the last newsletter you receive until the February 2012 newsletter (available on January 20th).

## THANK YOU, THANK YOU!

We had a GREAT day so one thank you is just not enough. We must thank the Board for gifting us with this day and the many owners who contributed gifts, gift cards and cash for the door prize drawing. Thanks to Brenda and Jimmy Becknell for coordinating the food and to all the owners who prepared the wonderful meal and then cleaned up! Thanks to Mike Cameron for the (as always) awesome ribs and to Mike and Eunie for the over-the-top "money jars"...what a thrill for winners Lisa (Maint.), Dustin (Sec.), Sonya (Sec.) & Marcia (Admin.). Individual thank you notes have been mailed; if you contributed and did not receive one, we apologize and want you to know we are deeply grateful to **everyone** who participated!!

## HAVE YOU RETURNED YOUR WINTER TEMPERATURE CHECK FORM?

The form is still online with the November newsletter. Go to: [www.woodsonbendresort.com](http://www.woodsonbendresort.com) and scroll down to the bottom of the home page. Click on "Around the Bend" and then click on November. The form will be the last page. For those of you who have opted for paper billing, it was included with your November bill...last page of the AD-Visor.

## Forgetful? Busy? AUTO DRAFT is your Answer!

Do you sometimes forget to pay your monthly dues on time? Tired of those late fees and finance charges? May we suggest you enroll in our Auto Draft payment plan? Sign a simple form and provide us with a voided check. We will automatically withdraw your payment from your account on the 3rd of each month. We never draw large work orders or assessments without your approval, and you can even specify what we can draw – be it "regular monthly fees only", "reg. monthly & small work orders", "draw everything" – we will do our best to accommodate your needs. Call Marcia at 561-5311 or email [www.woodsonbendresort.com](http://www.woodsonbendresort.com) to obtain the form and let us "remember" for you!
