APRIL, 2018

Manager's Report By: Mark Sloan

The season is coming! We are working to get the Resort ready for you to come and enjoy spending time with us! We look forward to seeing everyone very soon.

Mulligans Restaurant will be opening on Friday, April 13th. Chef Michael & Chef Ed and their crew are really excited and looking forward to their third season! As a reminder, Mulligan's will be taking over the operation of the Pro Shop Grill in 2018! Your restaurant coupons will be able to be used in the Grill as well as the Restaurant! Grill hours will be flexible and will be expanding as we get deeper into the season. So be on the lookout in the weekend handout or upcoming Around The Bend for expected hours of operation for the Grill.

I would like to remind everyone that the Garden Club will be having their 8th Annual 5K "Garden Club Run/Walk" on Saturday, May 26th, starting at 9:00 am at the Clubhouse. This fundraiser is a great way to show support to the Garden Club while engaging in a healthy activity. Please look for sign up information and details within this newsletter.

This year's Derby Party will be taking place at the Clubhouse on Saturday,

May 5th. We will continue the tradition of the party being free to attend. You are welcome to bring your own party snacks and beverages. However, please note, that Programs must be ordered in advance and paid for by the requesting party. We will be happy to bill your account for this but you must notify Lindsay in Admin by no later than Friday, April 27th for us to be able to get your Program in time for the party. You can reach Lindsay at 606-561-5311 or via email at administration@woodsonbendresort.com for information and pricing on the programs.

As the season approaches, let me remind you that if you wish to use the Pavilion you will need to contact Security at 606-561-5313 to make a reservation for the date you want to use it.

I would like to encourage anyone that is thinking about any kind of remodeling for your condo to give Nick Jones a call at 606-561-5314 or email him at remodeling@woodsonbendresort.com. Remodeling demand is very high right now and remarkable improvements to units are being made all over the resort. Nick would love to discuss any plans you have for your condo! I would also like to remind you that we have approved policy restricting who may do work pertaining to any electrical or plumbing projects that require permits or inspections. In addition, restrictions

apply to who can do work that involves drywall or internal stud walls. If you have any questions, give Maintenance a call for more info.

Would you like to pick up some additional money? Give Jamma a call in our Rental Department at 1-800-872-9825 or email her at rentals@woodsonbendresort.com. She would love to enroll your unit into our Rental program! Placing your unit in the Rental Program is an effective way to pick up some additional cash to help offset the cost of owning. In addition, please be aware that all profits from the rental department go back into the general fund to help offset annual maintenance fees. Supporting the Rental Program is a great way to support the entire Resort. Many people are unaware that you can make your condo available for renting as much or as little as you like. We do not place restrictions on the amount of days you make available to rent your unit. If you would like to know more, Jamma would be happy to give you all the details you need!!!

Lastly, mark your calendars for Saturday, June 30th, as we conduct our **RED, WHITE and BOOM** celebration with our annual fireworks show!

FULL TIME BOAT SLIP ASSIGNEES:

We would like to take this opportunity to remind all owners that have been assigned a full time boat slip of some of the Marine Association requirements. In order to use the dock facilities, any Woodson Bend Property Owner must be a member of the Woodson Bend Resort Dock Association (the "Association"). To be assigned a boat slip, an owner **must OWN a boat of the type and size permitted.** Boats with living conditions (boats classified as "Cruisers" or "Overnighters") will not be permitted to moor at a private moorage facility. Size limits are 28' long maximum and 8' 6" maximum width.

Only those operable watercraft owned by members of the Association and/or their immediate family (e.g. spouse, sons and daughters) and registered at Woodson Bend Security may be moored at the dock facility. To register your boat with Security, all users of the Marine Facilities must file proof of current watercraft registration, watercraft insurance, sign a Waiver of Liability and complete a Marine Association Membership form. This information has to be on file prior to use of the boat dock facilities.

Members assigned slips on an annual basis, may at their discretion, allow other members to use their slip when they are not planning to use it. The member will be required to complete a Permission to Use form and have it on file with Woodson Bend Security prior to another member using their slip. The member that receives permission to use a slip must also submit all required documentation noted above, and have it on file before mooring their watercraft in the slip. **Any member having a full time slip assigned to them must submit a current copy of their watercraft registration and watercraft insurance, whether or not they use their assigned slip.**

All watercraft using the dock must have a slip sticker, provided by Woodson Bend Security, authorizing use of a particular slip (all required documentation must be on file with Security before a slip sticker can be obtained). This sticker shall be attached to the watercraft in a visible location.

Per the rules and regulations, any member that does not submit the required copy of their watercraft registration and insurance:

- A) First violation-Courtesy Citation issued 10 days to correct.
- B) Second violation-Assess \$10.00 per day for the violation until the violation is corrected or thirty (30) day maximum.
- C) Third violation-The membership may be revoked after thirty (30) days if the violation is not corrected.

Slip assignee that does not obtain and/or apply current slip sticker:

- A) First violation-Courtesy Citation issued 10 days to correct.
- B) Second violation-Assess \$5.00 per day for the violation until the violation is corrected.

In order to keep your boat slip information current, as you renew your watercraft registration and insurance, be sure you provide Security with copies.

Thank You,
Dorothy West
Security Director
