JULY, 2018

Manager's Report

By: Mark Sloan

We are so glad to finally see summer here! After the wet, dreary winter and spring, we are ready for some nice summer weather! We are so excited for the season! Like always, the summer will be full of many exciting things here at the Bend! By the time you receive this, we will only be a little more than a week away from the 4th of July Weekend. We certainly look forward to seeing everyone.

Speaking of the 4th of July, I want to remind everyone that our annual "RED, WHITE, AND BOOM!!!" Celebration and Cart Parade will be taking place on Saturday, June 30th. Please make your plans to attend the fireworks show. As always, we would love to see some donations for the show as 100% of all donations will go to purchase additional fireworks to enhance the show. The more we purchase, the better and more spectacular the show will be! If you are interested in donating to the show, you may do so by contacting Lindsay in Administration at 606-561-5311, or you may email her at administration@woodsonbendresort.com. Your donations can be billed directly to your account. I would also like to announce that we are planning on having a few inflatables available again for the kids, or kids at heart, to have some fun on throughout the day on Saturday the 30th as well! As a reminder, please make sure that you do not park in the clubhouse parking lot adjacent to the tennis courts after 9pm on Friday night. The inflatables will be setup early Saturday morning and we need that parking lot clear. Regular parking will be available again starting on Sunday the 1st.

I would like to thank everyone who came out and participated in the 2018 Remodeling Open House. We had 11 units on display and had over 176 people attend the event!!!! This is fantastic!! What a great day! Now, be sure and contact Nick and get your condo remodeling underway!!!! Nick can be reached

at 606-561-5314 or at remodeling@woodsonbendresort.com.

I would like to remind everyone that our 2018 Friends program is still seeking donations for the pool tables and chairs. If you would like to help out please contact the Administration office. We can bill your account directly!

As we get deeper into the season, I would like to encourage everyone to participate in the usage of our amenities. Plan to eat at the restaurant, play some golf, spend some time at the pool and participate in planned golf & social events! Your involvement creates an excitement that spreads to other visitors and owners.

Please do all that you can to adhere to the posted rules about placing garbage out in a timely fashion for us to pick up for you. In addition, please remember, that anything other than household garbage should be brought back to the dumpster by the Owner.

I want to provide you with a few quick reminders about a few other items as well; don't forget to use the recycling bin down below the pro shop on the service road for the paper products and plastic. NO GLASS OR STYROFOAM please! Don't forget to clean up after your pets! Let's do all we can to keep our beautiful Resort looking the best we can! We are looking forward to the summer and can't wait to see each of you!

WOODSON BEND CHURCH SERVICES

We are excited to announce that **Pastor Gordy Prather** (the Minister of Science Hill Christian Church) will be returning again this Summer to lead our non-denominational church services, at **8:30 A.M.**, each Sunday (note the time change), beginning on Memorial Day Weekend, Sunday, May 27. His unique preaching style appeals to the kids as well as the grandparents, so be sure to bring the entire family! Worship services are held in the amphitheater, weather permitting; in case of rain, they are held in the Clubhouse. All Woodson Bend residents and guests are invited to attend this very casual 30 minute worship service, hear an inspiring message, and make new friends.

WATER HEATER REMINDER

Most water heaters are warranted for 5 years. If your water heater is older than this, you may want to consider replacing it with a new one, as the older it gets, the greater the risk for it to rust out. This could create a lot of water damage to your unit as well as the unit below if you are in an upper unit. AC drain lines need to be cleaned each year and AC drain pans need to be checked for deterioration.
