JUNE 2021

## MANAGER'S REPORT

by Mark Sloan

We are certainly in a better place this year compared to last year at this same time! While we are still not across the finish line dealing with this pandemic, I think we can say we see the finish line now. I am very thankful for this, as I am sure all of you are as well. Because of the vaccinations and decreasing number of cases, it appears that it will allow us to have a more normal schedule of events. With that said, we want to still stress how important it is that we continue to respect the guidelines we are being asked to follow concerning social distancing and the wearing of masks where appropriate.

As Memorial Day Weekend and the start of our season approaches, I am very excited to let you know that our pool will be open!!!! As I write this, the KY Gov. has placed restrictions on the number of folks allowed inside the gates, which is 225 people. The number of people who can be inside the pool water itself stands at 54. We are working to ensure that we have pool monitors that will help us maintain compliance with these current rules. Our hope is that these restrictions will ease off and eventually disappear. We will for sure keep everyone notified as we need to do so.

I want to encourage everyone to support our restaurant folks and the pro shop grill. They are both open, and the snack bar for the pool will also be open. The restaurant and grill area have some seating restrictions but they are being raised on a regular basis. I have already spoken to several owners that have told me they believe the food from Mulligans is as good as they have ever eaten this year! So let's do all we can to show them how much we appreciate them being here.

By the time this article makes it to you, we will only be a few days away from our Remodeling Open House and Vendor's Day! This is a free event where we open up several recently remodeled condos with those owners and allow you to come and see some of the incredible improvements that can be made to your

condo! In addition, we will have several common and relevant local Vendor's on site for you to meet and get to know and gather information from. This is a great event and we look forward to seeing you. It will be taking place from 10am-2pm.

Folks are beginning to ask about 4th of July and fireworks etc. There WILL BE a fireworks show and a golf cart parade this year on Saturday, July 3rd. Please give Lindsay a call at 606-561-5311 or email her at [administration@woodsonbendresort.com](mailto:administration@woodsonbendresort.com) to make a donation to this year's show. Let's make this show our biggest ever!

Our golf course is open, very busy and BEAUTIFUL! Golf play and the interest in golf remains very high and that is such a positive thing to see!! We would recommend that you make tee times in advance for days you want to play, especially on weekends the next couple of months.

The Board has continued with the plan for the boat launch to be open on Fridays outside of Holiday weekends! This should allow more opportunities to get your boat in the water. Please check with maintenance or in the weekend handouts for hours of operation, as you will need to call and make a launch reservation.

Looking to do some remodeling to your condo? Now is the time to call Nick Jones and discuss your project. Many nice improvements are being made to condos! The good news is that we have some openings for jobs over the summer for folks who are ready to get work done in the summer months! So don't miss out on your chance to beat the fall rush! Call or email Nick now to get your summer job ready to go at 606-561-5314 or [remodeling@woodsonbendresort.com](mailto:remodeling@woodsonbendresort.com). Those openings will fill up quickly, so call now!

"Friends of Woodson Bend" for 2021 is currently underway! Please contact the Admin office to make your donation and become an official "Friend".

I would like to remind everyone that Woodson Bend has a small fleet of rental carts that are separate from our golf course and made available for renters or

owners to rent while staying on property. You can use these carts to travel around the resort, back and forth from the pool to your condo and other activities. The carts and rates will be available at the pro shop during normal pro shop hours. This is a great way to enhance the stay of your family or friends while visiting. They are being reserved quickly so don't wait to reserve your cart now!!! Call Tim Dudley at 606-561-5316 or email him at [thdgolf@gmail.com](mailto:thdgolf@gmail.com). The carts are available now and efforts will be made to ensure that they are sanitized and cleaned well before and after each time they are rented.

We are excited about the possibilities this year brings us. We look forward to providing you the best service we can to make each and every visit a great one for you!

## WOODSON BEND CHURCH SERVICES

We are excited to announce that Pastor Joe Altman (the Minister of The Bridge Community Fellowship, in Somerset) will be leading our non-denominational church services, at 8:30 A.M., each Sunday, beginning on Memorial Day Weekend, Sunday, May 30. His unique preaching style appeals to the kids as well as the grandparents, so be sure to bring the entire family! Worship services are held in the amphitheater, weather permitting; but in case of rain, they are held in the Clubhouse. All Woodson Bend residents and guests are invited to attend this very casual 30 minute worship service, hear an inspiring message, and make new friends.
